Evaluator	Descriptors	Notes
Friso Miguel Spoor	(+) Stone Fruit, Milk Chocolate, Fruity, Juicy, Strawberry	Just as her sister group lots from Pitalito we find a variety of juicy stone fruits inside the lot. This lot in particular has that part nailed. While not being as "Red" as the other Las Perlitas from Colombia, it has that beautiful malic acidity you want and which continues to improve while the cup cooles down.

● Friso Miguel Spoor
