| Friso Miguel Spoor | Cinnamon, Mandarin Orange, Milk Chocolate, Rose | Really has interesting fruity aromas along to some dry notes. The lot is a touch out of balance but make up for it in character. A great option to have a payable but expressive Ethiopia Natural. |

| Alvira Kanusa Putra |  | bit sandy texture, good coffee for grade 3 but not good enough for nice filter coffee  |
| Friso Miguel Spoor  | Blackberry, Funky, Hay-like, Stone Fruit | Wet aroma less, same for cooling down. Good option for cheaper funky lot in blend or espresso, not good enough for filter as single.                 |
| Michiel Lampers     |  | 1st round: wine gums and rose water. bit watery body, medium citric acidity. slightly fermenty but far from over. 2nd round: winegums and rose water |
